

MASTER SERVICE LEVEL AGREEMENT (SLA)

Effective Date: January 1, 2026

Vendor: OmniCorp Cloud Infrastructure

Client: B.L.E.E.D. Protocol Host Entity

SECTION 4: UPTIME GUARANTEE

Clause 4.2: The Vendor guarantees a monthly server availability of 99.9%. If system uptime drops below this critical threshold due to Vendor negligence or hardware failure, the Vendor must issue a strict credit penalty of \$5,000 per hour of downstream downtime. Partial hours shall be prorated.

SECTION 8: MAINTENANCE PROTOCOLS

Clause 8.1: Unannounced maintenance windows exceeding 30 minutes severely disrupt Client operations and incur a flat fee penalty of \$2,500 per occurrence.

Clause 8.2: Standard scheduled maintenance must be announced no less than 48 hours in advance via the official operational portal.
